## **Ten Prayers God Always Says Yet To** *Published to Coincide with National Day of Prayer*

On May 1st, 2007, two days before the National Day of Prayer, Doubleday Publishing will be releasing a brand new book on the subject of prayer, sure to become a classic in spiritual literature.

The name of the book is *Ten Prayers God Always Says Yes To*.

The author is Anthony DeStefano, who wrote the acclaimed and bestselling book, *A Travel Guide to Heaven*.

There have been thousands of books written about prayer and millions of sermons preached about it, yet people continue to wonder: Why doesn't God answer me when I cry out to him? In light of all the problems we face in life, we want to know why God is often so "silent" when we pray to him. Anthony DeStefano knew there had to be an answer to this mystery, so he set out on a quest to find prayers that God say yes to all the time. The result is one of the most powerful spiritual books ever written.

Each provocative prayer in this short but profound book addresses a particular problem people commonly face in life—from accepting the existence of God to trying to make ends meet; from getting through terrible suffering to coping with everyday stress; from overcoming fear to finding their God-given destiny. Presented with a certainty and vigor that is sure to pique the interest of even those who are not spiritually inclined, these prayers will help people find solutions to life's most difficult challenges and provide meaningful and inspiring answers to the vexing questions we have about the purpose of our time on earth.

In a world awash with superficial self-help books and deceptive gimmicks, *Ten Prayers God Always Says Yes To* is the real thing. Using scriptural references to support his claims, DeStefano writes in a simple, straightforward and uplifting manner that makes the most difficult theological matters understandable to all. In the words of the author, "This is a spiritual treasure chest that is available to everyone. This book is about prayers that work—really, truly work."
